LMTG bags Frost & Sullivan Green Manufacturing Excellence award

L&T-MHI Turbine Generators (now L&T-MHPS Turbine Generators) has bagged the Green Manufacturing Excellence Award instituted by Frost & Sullivan. The Overall Leader Award (1st Runner Up) was handed over to Mr Arobinda Mookherjee, Head - Manufacturing, LMTG by Mr Y S Sashidhar, Managing Director, Frost and Sullivan, South Asia, Middle East, at a function in Mumbai.

LMTG had worked relentlessly to prepare for appropriate response to the assessors from Frost and Sullivan during making of the preliminary report and final assessment carried out at LMTG in the early part of 2013.
