## COD for Malwa Plant Unit-1

Commercial operation date (COD) of the first unit of 2x600 Shree Singaji Thermal Plant in Malwa (Madhya Pradesh) was achieved on January 31, 2014.

It is the first thermal power project of this size of MP Government to have achieved COD status (Unit 1). Balance of Plant (BoP) systems for the project, executed by L&T Power, were made operational well before the requirement.
