L&T Power Wins FICCI Quality Systems Excellence Award

L&T Power has won the prestigious 'FICCI Quality Systems Excellence Awards for Industry 2017 - Platinum (First) Prize in Construction Sector' in the Large Size Organizations category.

The award was presented by the Federation of Indian Chambers of Commerce and Industry (FICCI) at a conference on 'Sustainable Industry Growth through Quality Systems' on the theme 'Quality Systems to Achieve Goal of Make in India', held in New Delhi on January 20, 2017.

The purpose of the FICCI Quality Systems Excellence Award is to recognize organizations that have robust quality systems leading to a systematic improvement in organizational performance.

The competing companies were evaluated on eight main criteria and 53 parameters based on industrial benchmarking of quality system and processes.

L&T Power won this laurel in its maiden assessment and has demonstrated sustainable excellence in Quality Systems deployment. L&T Power has been holistically implementing Business Excellence model in all its operations.
